- 8) Scientific qualification of scientific personnel (short CV's, list of the major 5 publications relevant to the project)

Annex (Must be merged to one zip-file!)

- 9) Budget overview in form of the provided table
- 10) List of literature relevant to the project
- 11) Long CVs and lists of publications of the most important project members
- 12) Letter(s) of endorsement from involved stakeholders
- 13) if applicable: Letters of intent from project partners

Checklist for complete application

- The entire application must be in English language
- Please sign the application form by inserting the signature
- Make sure your host institution signed the application form in the same way
- The complete application documents containing the signed application form, the project description and the Annex including the budget overview must be submitted to ess-calls@oeaw.ac.at **by 15th of February 2024**
- The application may contain a list of undesired reviewers ("negative list"). This means that applicants may name a maximum of three potential reviewers who are believed to have possible biases and should be excluded from the review process.

Applicants agree that all data and documents related to their submission may be forwarded to peer reviewers and jury members. For more information please visit the [guidelines](#).
